Please identify all dates that you **CANNOT** rehearse/attend between April 2020 - June 2020 by marking an “X” on the calendars. Please include non-rehearsal days in case rehearsal nights need to change due to holidays, etc.

Rehearsals will typically be Sundays 1-4pm, Mondays and Wednesdays 7-10pm, some rehearsals may be subject to change and you may not necessarily be called to all rehearsals in any given week.

Unavailability may not necessarily prevent you from consideration from a role, so please be honest with your availability. Failure to do so may cause dismissal from the cast if conflicts exceed initial unavailability disclosures.

Tech week (June 7-11) and performances (June 12-14, 19-21) are **MANDATORY**. Call times and durations will be TBA for now, but will not vary much from normal rehearsal times.

This production is being performed to benefit the Matthew Shepard Foundation and the Ludlow High School GSA, all profits (less production costs) shall be donated to these worthy causes. The authors of this piece, have requested that performances be centered around the actors depicting the real-life people, rather than set and costumes.
